

Silver Lake

IMPROVEMENT ASSOCIATION *Caring for the future of the lake*

Why should I join the SLIA? What are the benefits? Where do my dues go?

We manage the Eurasian Water Milfoil and other invasive species, monitor the water quality, work with the drain commissioner on the water level and drain, the DNR fisheries to ensure our lake is a healthy habitat for fish, and is well stocked. Boaters are kept informed of boater safety rules, and we do our best to protect the wildlife.

Social activities such as the Kids Fishing Tournament, Giant Beach Ball and Fourth of July Regatta help draw us together as a community. We communicate with and educate property owners and friends of the lake through our newsletters. Our website features a current calendar of events, and is a great source of information about Silver Lake in general. It is also a convenient way for members to contact board members regarding issues they are concerned about.

****A very successful program launched in 2012, is the g-mail communication to members. The SLIA sends email alerts to inform of important issues affecting the lake, such as Invasive species treatment dates, safety issues and much more. This program also provides a valuable service to the community with notices of "lost and found items" - reconnecting people with their property in a timely fashion. *This service is only provided to members who provide their email addresses, which are not shared.* Just fill out the membership form on the other side, bring with you to Annual Meeting or and send it in today to start receiving these valuable emails.**

YOUR recreation, environment, and property values are at stake if the lake isn't preserved and protected. NO ONE else is going to care if they depreciate EXCEPT those of us who live here! The dues are only \$25. per year, a small price to help your board continue these valuable services! THANK YOU FOR JOINING TODAY!

MEMBERSHIP FORM (Sept 2022 - Aug 2023)

First Name(s) _____
 Last Name _____
 Mailing Address _____
 City _____ State _____ Zip _____
 Address of Silver Lake Property _____
 Home Phone _____ Other Phone _____
 Email Address _____

Email addresses will NOT be shared, but are used to notify you when the lake is to be chemically treated for Invasive Species. Items are lost or found, and other current issues pertinent to the lake.

Please check here if you prefer to receive the SLIA newsletter by email rather than snail mail, saving the cost of printing and postage. If you check this space your next newsletter will arrive by email only.

Membership Dues **\$25.00** \$ _____
 (The SLIA is a 501(c)(3) Org., Dues are tax deductible to the extent allowed by law.)
